

**RECTOR**  
**of the CZESTOCHOWA UNIVERSITY OF TECHNOLOGY**  
**announces an open competition**  
**on the Faculty of Mechanical Engineering and Computer Science**  
**for three scholarships for PhD students**  
**financed by the National Science Centre project no. 2017/27/B/ST6/02852**  
**titled: „Development of deep neural network learning methods”**

The competition is open to persons who meet the detailed requirements set by the competition committee appointed in accordance with the regulations of the National Science Centre.

**Requirements:**

- MSc in the field of computer science or related,
- A status of PhD student at least from 3<sup>rd</sup> October 2018;
- Familiarity with machine learning and/or computational intelligence topics, confirmed by scientific publications,
- Programming skills in C/C++ and/or C#,
- Ability to prepare publications using the LaTeX editing system,
- Good English (written and spoken).

**Documents:**

- A copy of MSc diploma in Polish or English in the field of computer science or related,
- Certificate of a PhD student status or the information about the positive result of the PhD exam,
- CV,
- List of publications, presentations and conferences in which the candidate participated,
- Agreement to the processing of personal data for the purposes of carrying out the recruitment process:

I hereby give my permission for the processing of my personal data submitted for the competition for the PhD student scholarship at the Faculty of Mechanical Engineering and Computer Science at Czestochowa University of Technology, in accordance with European Parliament and Council of the European Union Directive of 27 April 2017 on the protection of individuals with regard to the processing of personal data as well as on the free movement of such data and repealing Directive 95/46/WE below referred to as GDPR.

I hereby confirm that I was informed of the following:

1. Czestochowa University of Technology based in J.H. Dabrowskiego St. 69, 42-201 Czestochowa, is the administrator of the data included in the permission for the processing of personal data.
2. Data protection inspector is available through the contact details of data administrator.
3. Data collection is aimed at organizing the competition for the PhD student scholarship at Czestochowa University of Technology.
4. I have the right to access, rectify, delete or restrict data processing, as well as to raise an objection and demand to cease data processing or data movement. Finally, I am entitled to withhold the permission for data processing at any time and to submit a complaint to the Supervisory Board.
5. Data submission is voluntary but it is essential to enter the competition for the post of the PhD student scholarship at Czestochowa University of Technology.

6. Submitted data will not be available to any third party or unauthorized institutions.
7. Submitted data will not be profiled.
8. Data administrator has no intention of moving data to another country or international organisation.
9. Personal data will only be stored for a time period necessary for recruitment and future employment requirements.

**Scholarship:** 2500 PLN/month for 12 months (with the possibility of extension for another 12 months)

**To apply for the position a candidate has to provide the required documents to the Principal Investigator of the project, i.e. Prof. dr hab. inż. Leszek Rutkowski, until 25.09.2018** through e-mail ([leszek.rutkowski@iisi.pcz.pl](mailto:leszek.rutkowski@iisi.pcz.pl)).

**The deadline for the settlement of the competition:** 26.09.2018

Please send any questions to the project's Principal Investigator on his e-mail address. Information about the results of the competition will be communicated to the nominated candidates electronically by the project's Principal Investigator.

RECTOR

Prof. dr hab. inż. Norbert Szczygiel
